PAUSE FOR A CAUSE
A mind is a terrible thing to

A mind is a terrible thing to waste — and so is gourmet food cooked by gorgeous men. Like Malik Yoba, Ahmad Rashad and Winton Marsalis — just three of 100 guys who'll get behind the grill Saturday night at the Winter Garden in the World Financial

and the right to live in any of the

Center The night will benefit the 'College Fund/UNCF, which gives scholarships to students at 39 historically black colleges — including 3,000 students from New York. In case you don't trust their cooking, real chefs from Tavern on the Green, Gramercy Tavern and

more will flip and flap. And ladies, you can skip dessert: Just feast your eyes on fellow guest Denzel Washington. A good cause, and half of your \$60 donation is tax-deductible.
